

CCS Club Meeting

8th September 2010

**Edinburgh Marriott Hotel
111 Glasgow Road, Edinburgh**

AGENDA

- 10:30 – 11:00 Registration – Tea and coffee**
- 11:00 – 11:10 Welcome and Introduction - Lynn Hunter, TUV NEL**
- 11:10 – 13:00 Scoping the CCS Chain - Ian Philips, CO2Deepstore**

Iain Philips from CO2Deepstore Ltd. will provide an overview of the full CCS chain - from capture plant through transport systems, offshore facilities, wells and reservoir – and covering design, construction, operation and long term monitoring. This will lead in to the interactive group session to breakdown and identify the technology needs.
